BeneBath™ Shower and Bath Chair and Bench

All About Accessibility: The BeneBath™ Shower and Bath Chair and Bench provide comfort with contoured and molded seats. The products feature large, flared, non-skid contoured feet for added sturdiness and safety, as well as height-adjustable legs to meet specific user needs. The seats and back are wide, and the chair back is positioned at a slight angle for comfortable seating. Convenient molded handles on both seats and back, and durable, removable pads add safety and ease.

All About Beauty: Easy-to-clean plastic back with multiple drainage holes.
